Technology Access

6. Student Devices

- We provide all students with a computing device
- All students use personal devices
- We provide computing devices to some students
- Our continuity of learning plan does not include the use of technology

6a. Please explain.

- students in grades 6-12 have a school issued Chromebook

7. Teacher Devices

- We provide all teachers with a computing device
- All teachers use personal devices
- We provide computing devices to some teachers
- Our continuity of learning plan does not include the use of technology

7a. Please explain.

- staff that needs a computer because they do not have their own functioning device can get a computer from the District.

8. Student Home Access

- All students have high-speed internet access at home
- Not all students have high-speed internet access at home

8a. Please provide further information, including what the district has done to assist students with obtaining home internet access, if applicable.

- we have posted information about free services that may be available from Spectrum. We are also asking students that come to pick up food from our nutrition plan if they have internet access.

9. Teacher Home Access

- All teachers have high-speed internet access at home
- Not all teachers have high-speed internet access at home

10. In addition to the information above, use the text box below to describe how your district's plan addresses continuity of learning that meets the unique needs of all students.

- Our staff has been directed to make a best effort in providing an online experience for their students. We understand that this will be a very different experience depending on the grade and/or subject. To the best of our knowledge, we are not aware of any staff without internet access.
